God Friended Us: Congratulations Matthew Capestro, Westminster College Graduate!

A few years ago, MCC needed a substitute pianist and thanks to Facebook connecting people through social media we learned of Matthew Capestro, a non-traditional student at Westminster College. Once we met, we quickly learned that he was not only musically talented, but that Matthew was also studying religion, planned to go into the ministry and had Disciples of Christ roots. Over the years we've become friends and MCC has been blessed to have Matthew get some preaching experience to help hone his future skills. As a gift to our church, Matthew chose to preach on Mother's Day which was also the day after graduation.

We are so proud and happy to share in the joy of his recent graduation from Westminster College! Matthew received a Bachelor of Arts in Philosophy, Religious Studies and Sociology. He graduated as a member of Theta Alpha Kappa (national honor society for religious studies and theology), Phi Sigma Tau (national honor society for philosophy), department honors in Sociology, and Cum Laude. This fall, Matthew is starting a dual Master of Divinity and Community Development and Action (M.Ed.) program at Vanderbilt University in Nashville, TN. He is also the recipient of the Carpenter Scholarship through Vanderbilt Divinity School, which is a prestigious scholarship awarded to one incoming Master of Divinity student per year and pays full tuition while also providing a living stipend. We are very thankful that our worlds connected, and we look forward to seeing all God has in store for you.

Congratulations Matthew and Good Luck!!
